CITIZEN'S / CLIENT'S CHARTER

The Charter aims to achieve the objectives by creating, increasing awareness and educating the workforce for their effective participation in the socio-economic development of the society, industry and nation as a whole. The DTNBWED endeavors to widen the awareness of the workers and reveal them to the best practices in the employment, industry and government and to facilitate them as well as skill development activities. The Workers Education programmes emphasizes on increasing digital and Financial Literacy among all sections of workers, it also emphasizes transformations to the knowledge age, preparing them to face the challenges of globalization through training and education, also Recognition of Prior Learning of Skills. The DTNBWED also aims to bring about consciousness among workers about their rights, duties, responsibility and awareness generation about the activities / schemes being implemented for the welfare of workers working in rural and unorganized sectors. Gender equality and Communal Harmony is an integral part of training.

1. **OUR VISION**

DTNBWED dedicates itself in creation of values in training and education to promote inclusive growth, harmony and sustainability in all segments of workforces and social partners of production and services in organized, rural and unorganized sectors for igniting the minds of learners in their fields of accomplishment.

2. **OUR MISSION**

- a) To build the competence of the trade unions to instill sensitive and responsible internal leadership and to ensure that workers education becomes a cardinal feature of trade union functions.
- b) To strengthen the workforce in rural, organized and unorganized sectors by imparting knowledge, information, skill, techniques and support to form self-help groups and other forms of self employment as well as livelihood promotions for contributing intelligently to the overall development and inclusive growth of the nation.
- c) To promote industrial peace, Occupational Safety & Health, quality of life and creating awareness about rights and duties of a citizen.
- d) To digitally literate the workers by using contemporary technology so that they can utilize different digital platforms of Continual Learning, Skill Development, Recognition of Prior Learning (RPL) and get them enrolled in different social security schemes as well as flagship schemes for workers.

3. **OBJECTIVES**

- (i) To strengthen among all sections of the working class, including rural workers, a sense of Patriotism, National Integrity, Unity, Amity, Communal Harmony, Secularism and pride in being an Indian;
- (ii) To equip all sections of workers, including rural workers and women workers, for their intelligent participation in social and economic development of the nation in accordance with its declared objectives;
- (iii) To develop amongst the workers and greater understanding of the problems of their social and economic environment, their responsibilities towards family members, and their rights and obligations as citizens, as workers in industry and as members and officials of their Trade Union;
- (iv) To develop capacity of workers in all aspects to meet the challenges of the country from time to time;
- (v) To develop strong, united and more responsible trade unions and to strengthen democratic processes and traditions in the trade union movement through more enlightened members and better trained officials;
- (vi) To empower the workers as employees of the organization and to develop sense of belongingness as effective instruments of amicable industrial relations and maintaining industrial peace;
- (vii) To meet the needs of workers to have access to way of acquiring and continuous up-gradation of knowledge and skills that they require to find and hold a job.

4. **Stakeholders / Users / Our Clients**

Our clients include Industries, Industry associations, Management associations, Trade Unions and workers from Organized, Un-organized and Rural Sectors.
